SAFE ZONE TRAINING HELD ON OCTOBER 25

Several employees participated in The Safe Zone Training that was provided by The Source LGBTQ+ Center. It is a primer for addressing systemic and organizational bias when it comes to LGBTQ+ people. The training was highly self-reflective and addressed first impressions, anti-LGBTQ+ bias, terminology, privilege, gender, sexual orientation, and dos and don'ts. A second training will be held on November 12, and a special training for students and student employees will be held in the Spring.

The [Transfer Day Festival](#) on October 1 was a huge success as students met with representatives from various 4-year universities. Thank you to the over 50 participating universities and the [Clovis Roundup](#) newspaper for covering the event.

THE CAREER LADDERS PROJECT HELD A COMPETENCY BASED EDUCATION (CBE) SESSION AT CCC ON OCTOBER 16

This was an engaging and informative workshop facilitated by the Career Ladders Project. It was an opportunity to ask questions specific to our various areas on campus, and an opportunity to consider curriculum that might work well in a CBE model.

CCC SPEECH AND DEBATE CLUB WINS BIG AT SRJC TOURNAMENT

The Speech and Debate Team had a strong showing at the 51st annual SRJC Tournament held at Santa Rosa Junior College on October 19th. Despite being a small team, they tied for 1st place along with Arizona State University in limited entry sweeps and 5th overall in the community college category. Club President Devin Redding led the team with a first-place finish in Original Performance and took first place in every round during the tournament. He also placed 4th overall in Dramatic Interpretation. Thank you to Club Advisor Nathan Wensko, Communication Instructor, for his time in leading these outstanding students.
